Well thank you to everyone for turning up to our trial today , The predicted rain didn't materialise on time, so the sections rode easy than expected. although if the rain that appeared around 3 o'clock had been a couple of hours earlier it would have been a different story !. As usual thanks go to all the Landowners.managers and thier agents for th euse of the land , Everyone who put the work into setting up the trial (inc Paul Roe with the digger !) and also everyone w helped while packing away .Thanks lads.

Lastly thank you to the observers who without thier help there would be no trial , in Section order Richard Sillet, Dave Field, John Pearson, Margaret Parker ,Katie Nash, Mick Ogden , Les Youngman, Nick , Jan and Stacie, Gordon Turner , John Beasley, Carol Read and Amy Fenner,Pat Ryland,Don Nuttman and last but not least Roy and Gill Bannister.
