## 2011 Membership Renewal

### Notes

#### Membership Types.

#### Web or paper based?

As the Eastern centre gazette is now available online ([www.easternacu.org](http://www.easternacu.org)) you no longer to need to buy the gazette to enter events in the eastern centre.

Therefore we can now offer a paperless web based membership which as well as being good for the environment also saves both you and the club money !

Newsletters are posted in the members section of the website each month and you will be notified when they are uploaded. And you can enter events from the Gazette on the Eastern Centre ACU website.

However if you still wish to receive your gazettes and newsletters through the post then no problems either , just tick the appropriate box .

#### Under 16's membership.

Fairly obvious this one just add £1-00 for each junior (under16) member you have in your family , If you are on a paper based membership we will send out 1 newsletter per family.

#### Estuary Off Road Motorcycle Club

The EORMC was set up by 3 of our committee members to offer greater access to trials events in the South Eastern Centre for our current members. If you would like a free membership of this club this year just tick the box.

Most South Eastern clubs put their entry forms in the 'The Sporting Motorcyclist' contact details are **Mr Andy Wood, 30 Westways, Edenbridge, Kent, TN8 64A.** Although many clubs also have entries on their websites
