A very big thank you to Derick for help laying out and also for Clerk of the Course duties. Thanks also to those who helped tidy up after the event. Very special thanks to Paul Nash for his mobile wheel washing facilities. Its unusual to have more spectators than riders but we can't force people to ride. The site now resembles the Somme on the Thursday after lunch and running trials at this venue is becoming more and more difficult forcing us to cancel the proposed event on February 14th. Thanks to all those who did turn up and I hope all the hard work was worth it.
