

Essex Trophy Trial

Provisional Results

Royal Oak Pits , Danbury . 3rd January 2010

Permit num: 27126

First of all a thank you for everyone for coming along today and an Apology . the sections rode much harder than we expected . the ice hardly left the ground and made the going much tougher than we expected !! And as a result the scores were much higher then we were looking for . Thanks go to the 20 odd riders who turned up on saturday to help cut out and prepare the sections as well as everyone who helped packing away afterwards.

Also thanks go to the Landowners/agents and managers for the use of the land and lastly to the observers , Richard Sillet , Ken Davies, Ron Greengrass, David Every, Gordon Turner, Mike Smith ,Charlie Grange, Ernest Goodwin, Gary Baker and Lasty Obi-wan Kenobi (or was it a Monk) on section 10 (sorry that should be Terry Sewell!!!)
